SPEAKER NICHOL: That would be fine. (See page 470 of the Legislative Journal.) Thank you. Before we adjourn, I'd like to draw your attention to the fact that we will have Final Reading tomorrow for awhile, probably about 45 minutes of it. We will have that early in the session tomorrow morning. So those of you that like to vote on Final Reading will probably wish to be here. Also we'll take up some Select File to move those along. Of course, what time we have we'll go back to General File. Senator Chizek, would you like to pronounce the benediction.

SENATOR CHIZEK: Mr. Speaker, I make the motion that we adjourn until February 6 at 9:00 a.m.

SPEAKER NICHOL: You've heard the motion. All those in favor say aye. Opposed nay. We are adjourned.
